

Obligations by Institution Data Dictionary

<FY> Fiscal year to which the data belong, covering the period October 1 through September 30. For example, fiscal year 2009 would cover the period October 1, 2008 through September 30, 2009.

<Institution> The name of the awardee institution. The top 200 institutions per fiscal year are included in the data, defined in terms of total funding received from NSF in the fiscal year.

<State> The state in which the awardee institution is located.

<Total> Total NSF funding in thousands of dollars.

<RRA> Total NSF funding from the Research and Related Activities (R&RA) appropriation in thousands of dollars.

<EHR> Total NSF funding from the Education and Human Resources (EHR) appropriation in thousands of dollars.

<MRE> Total NSF funding from the Major Research Equipment and Facilities Construction (MREFC) appropriation in thousands of dollars.
